

# Bird Spotters Unite!

Now we have identified some of the most common birds here at the Cliffs of Moher, it's time to find out what some of them look like. Check if you saw any of them when you visited. Put a tick next to the ones you have seen and using the clues write their names underneath their picture. A clue? The birds in red under the word search are all shown here.

# Ladybird Life Cycle

Shown below are the four stages in the life cycle of a seven-spot ladybird. But can you place them in the correct order? Number the order below each image.

Pupa

---

Adult

---

Eggs
